

**S**abal Homes by Hopewell recently unveiled restyled show homes and fresh looks in its McConachie front-garage and laned show home parades.

The builder's uncommonly stylish approach to homebuilding is on full display with its four homes.

"We loved the look of our Fusion, Ascent, Ovation and Verso show homes before," says Sabal marketing manager Nicole McLaws. "But at Sabal, we're always innovating and evolving, and with that in mind, we thought it was a perfect time to shake things up and show off something new and exciting in our McConachie show home parades."

Each of the homes show just how inviting Sabal's designs and décor are, while also showing off the builder's attention to detail, quality craftsmanship and innovative design.

"In our 1,704 square-foot Ovation laned home, we're showcasing a Mod Lodge design style, with natural elements, a clean look, wood accents and modern pairings of crisp white, soft grey and black in various textures," McLaws says.

"Next door, in our 1,501 square-foot Verso show home, we have a Maine Stream design style, which is highlighted by nautical accents, crisp colours and an airy atmosphere."

A block over, Sabal's Fusion and Ascent show homes feature front-

attached garages, plus updated looks inside.

The 2,188 sq.-ft. Fusion offers an Urban Shore design style, which features bright accent colours of teal and citron yellow, along with warm woods and contemporary lines. The 2,075 sq.-ft. Ascent show home showcases a classic French Press design style, with symmetrical seating areas, open-concept design and hues of navy, grey and white for a dramatic look.

"Of course, our show homes display incredible design and decor, but at Sabal, we're all about building homes to fit your lifestyle," McLaws says.

"We have a wide range of laned and front-garage floorplans to choose from in McConachie, all with features and options that help to personalize the home to your own lifestyle. In addition, all of our homeowners get the chance to make their home their own by working with a professional designer at our designSense Studio."

Lots are available now, with laned home pricing starting in the \$350,000s and garage home pricing starting in the \$450,000s.

In addition, Sabal is celebrating its 20-year anniversary, which means all home purchasers will receive a \$2,020 gift card towards upgrades, along with a custom front-door gripset, and the chance to win a grand prize of \$20,000.
