

Gautrand recognized for 'boldness and non-conformity'
French architect Manuelle Gautrand has become the first woman to win the European Prize for Architecture. The annual prize was established in 2010.

MEET THE CONDO

Copperfield's Chalet townhomes

Project overview

This project features a selection of stylish and affordable townhomes with customizable options and a wide selection of designer-curated finishings and upgrades to choose from. All Chalet townhomes feature nine-foot knockdown ceilings, oversized windows with two-inch blinds and upgraded kitchen/bath selections.

Location and transit

Located in Copperfield, residents enjoy all the benefits of an established community including transit, schools, shopping and other amenities. Major transportation routes nearby include 52nd Street and Stoney Trail, and the South Health Campus is just moments away.

Housing amenities

Copperfield's Chalet No6 features walkout basement floorplans, attached-garage floorplans and floorplans with features such as main floor tech zones. Suites feature balconies or patios, views of park space, customizable floorplans and more including lots of greenspace to enjoy.

In the neighbourhood

Just minutes from Tim Hortons, Starbucks, gas bars, restaurants and retailers, the convenience of 130th Avenue's services and restaurants are a five-minute drive away. Within the neighbourhood, there are several schools, playgrounds, sports fields, pathways, a community centre and more.
