

FALL PARADE OF SHOWHOMES — SPONSORED BY HOPEWELL RESIDENTIAL

More showhomes to explore from Hopewell

There's lots happening on the lots in Mahogany, says Nicole McLaws, marketing manager, housing, for Hopewell Residential.

"Hopewell Residential opened four new single- and double-front-attached garage showhomes on Sept. 24, called the Essential Collection, featuring new models ranging in size from 1,679 square feet to 2,278 square feet, with prices starting in the \$440,000s," says McLaws.

"We also opened four paired showhomes on Sept. 10, each of which has been designed with an eye on efficiency, style, comfort and affordability."

The showhomes range in size from 1,179 sq. ft. to 1,480 sq. ft., with two- and three-bedroom layouts, spacious kitchens and ensuites, multiple floorplan options and a designer-curated selection of interior finishings. Prices start in the low \$300,000s.

"And on Oct. 15, Hopewell

There's lots more.

"Hopewell also offers laned homes from the \$370,000s, along with the Elevate Collection, featuring double-front-attached garage homes from the \$500,000s, and our rear-attached garage homes from

the \$490,000s, all with showhomes now open," says McLaws.

And there's lots going on in Mahogany's older-sister community of Copperfield, where Hopewell has new townhome showhomes open at Copperfield Chalet, with prices starting in the \$280,000s.

"Hopewell is also happy to offer a wide variety of Qwik-possession

homes, everything from townhomes, to paired homes, laned homes and attached-garage homes from which to choose, with prices starting in the low \$300,000s," says McLaws.

"Our Qwik-possession homes feature Hopewell's signature style, popular upgrades and functional floorplans.

"Some of our quick-possession homes also offer the opportunity to choose your interior finishings.

"It's the best of both worlds.

"Just visit any of our showhomes today and you could move in before Christmas."
