A great location at the right price

Buying a home is all about finding somewhere you truly love living. With Hopewell Residential's community of Secord, a welcoming community spirit makes you feel at home the moment you arrive.

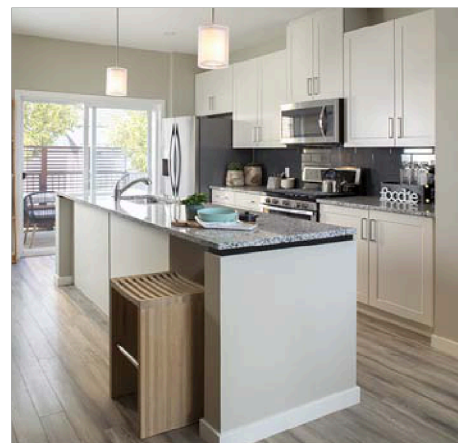

Ideally located in the city's west end, Secord is a new, yet established community built exclusively by Hopewell Residential.

"People love living in Secord because it offers the best and most scenic natural amenities, nearby restaurants and shops and a convenient location, with easy access to Stoney Plain Rd. and Winterburn Rd.," says Claire Bleay, marketing co-ordinator for Hopewell Residential.

"There are parks, playgrounds, pathways and wetlands just outside your door, a new K-9 school down the street and countless ready-to-use amenities minutes away. And you get all of this at a family-friendly price."

There are two types of homes available in Secord — townhomes and Front-Attached Garage homes.

Secord Chalet offers two- and three-bedroom townhomes, with customizable floor-plans and attached garages from the \$280s. Hopewell also offers Front-Attached Garage homes with two to five bedrooms, designer features and open-concept living spaces from the low-\$300s.
