NEW HOMES & CONDOS

Artists Group is hosting a showcase Oct. 19 to 24 in the main-floor atrium area of the Suncor Energy Centre. On display this year is the art of Jonn Einerssen, Brent Heighton, Darren Haley, Loretta Kyle, Rick McDiarmid, Vance Theoret and Diane M Anderson.

Western artists to showcase their work

One of the joys of homeownership is putting your personal stamp on your home with your favour-

ite art.

Thomas

Naturally, you could choose a Monet or

a Picasso, but one of those pieces might set you back more than your home is worth.

Save money and discover great art at the same time at the annual fall showcase of the work of the Western Lights Artists Group (WLAG).

On display this year is the art of Jonn Einerssen, Brent Heighton, Darren Haley, Loretta Kyle, Rick tralia, as well as throughout McDiarmid, Vance Theoret and Diane M Anderson.

The art of the WLAG has been exhibited in Tokyo, England, France and AusNorth and South America.

Their original works, along with hand-enhanced limited edition Giclee editions, as well as sculptures, will be on display at the show-

case — a nice addition to any home and a terrific Christmas gift idea.

The showcase takes place Oct. 19 to Oct. 24 in the main-floor atrium area of the Suncor Energy Centre, 111, 5 Ave. S.W.

FALL PARADE OF SHOWHOMES — Advertising Feature

Hopewell features side courtyards

Calgary Sun

At Hopewell Residential, the pricing is right.

We offer homes to fit your lifestyle and the prices to fit your budget," says Nicole McLaws, marketing manager, housing. "We're offering our best prices of the year, and now, we've introduced our Hopewell Price Guarantee, part of the Hopewell Price Advantage. Buy a new home today and enjoy the peace of mind that comes with knowing your investment is protected.

If we lower prices on your home, we'll pay you back the difference. Visit any one of our showhomes to get more details."

Hopewell is spotlighting new rear-attached-garage homes in the community of Mahogany.

"Our Triumph, Aria and Encore showhomes showcase distinct design styles, and thoughtfully designed floor plans," says McLaws.

With the garages in the back, the homes have great curb appeal, as well as functional floor plans, fullsized driveways to the rear garages and private side courtyards, says Eric Boyd, Mahogany rear-attached garage sales associate.

"The side courtyard is great for outdoor entertaining," says Boyd. "Visitors yards allow the inside of the homes to be filled with light."

Due to their clever positioning at the side of the home, this is outdoor space that's tucked away and quiet, says Boyd.

"The privacy factor of the courtyards is one of our best features and we're the only single-family home builder in Mahogany that offers a fully private outdoor oasis," he says.

The homes are perfectly located in the community, says McLaws.

"Our lots offer some of the best access in and out of Mahogany," she says. "We also have homes available with incredible views of the wetland."

Pricing starts in the \$480,000s and there is a range of floor plans available, with features such as second-floor laundry, cious ensuites, outdoor fireplace options and plenty of storage.

"Adding to the appeal is the confidence that comes with investing in a community that's built to stand the test of time," says McLaws. "Not only do we offer affordable prices on our award-winning homes, we build in the city's best new communities.

"In Mahogany, Canada's Community of the Year, we offer everything from condos, to semi-detached homes, to laned homes, rear-attached garage homes and front-attached garage homes. Our home sites are within moments of Calgary's largest lake, 74 acres of wetlands, playgrounds, walking paths and the future Mahogany Village Market."
