

NEW SHOW HOMES OPEN IN SECORD THIS WEEKEND

What would your future be like at Secord, West Edmonton's established master-planned community by Hopewell Residential?

This coming Saturday, you'll have the chance to find out. From noon to 5 p.m. on Sept. 9, you're invited to drop by the Secord Front-Attached Garage Show Home Grand Opening and tour six brand new show homes.

"Hopewell is proud to open Edmonton's most exciting new collection of front-attached garage show homes," says Nicole McLaws, marketing manager for Hopewell Residential, the developer of Secord and exclusive builder of the new parade.

"These new homes are located in a family-friendly, established community with incredibly affordable prices."

Visitors will have the chance to tour the first release of thoughtfully-designed new floorplans in single- and front-attached-garage styles. You can also take advantage of the

food trucks on location, prizes, and family-friendly activities like face painting. Virgin Radio will be broadcasting live on location.

The new homes range from 1,295 to 2,894 sq. ft., and offer between three and five bedrooms, ensuites in each model, spacious kitchens, designer-curated finishings, upscale standard features and optional items to add personal flair. Prices start from a very affordable low-\$300,000s.

When you're visiting, make sure you check out the neighbourhood too. The parks and playgrounds are often full of kids and families, and the ponds and natural amenities provide a beautiful backdrop to the community.

Parents in the neighbourhood have been hotly anticipating Secord's first school, which opened this week. Residents also love the convenience of shopping, services and retailers nearby, including Costco, Safeway, Original Joe's, Starbucks, and more.

CONTRIBUTED

At Secord your morning commute is simple, with easy access to major transportation routes and easy access by 215th Street.

"We understand that families want a home

that's gorgeous and functional, but also affordable," McLaws says. "At Secord you can have it all."
