

# Stylish living at Secord Chalet

## Grand opening of three-bedroom show home this Saturday

Secord Chalet's wide variety of townhomes are designed to suit home buyers' tastes, lifestyles and budgets. With floor plans that range from 1,236 to 1,402 sq. ft. — complete with garages, decks and a shared greenspace — they're the perfect fit for first-time homebuyers, couples and families.

This Saturday from noon to five, Hopewell Residential celebrates the grand opening of Secord Chalet's newest show home: the three-bedroom A Plan. Located in the established west-end community of Secord, this affordable, stylish, well-planned townhome is perfect for the modern family. The homes are priced from the \$290,000s and are conveniently located minutes from parks, schools, greenspace and more.

"This new three-bedroom townhome shows just how well-designed our townhomes are, with the functional living spaces today's homeowners need along with the stylish fit and finish they want," says Hopewell's market-

ing manager Nicole McLaws. "We know that people are sure to love our designer-curated finishings, unparalleled style, affordable prices and great design — all in the established community of Secord," she says.

Each of the residence's four show homes has a unique floorplan and design style. "We customize a townhome to your personal tastes and lifestyle," McLaws says. Standard features include nine-foot ceilings, oversized windows, window blinds, and stainless-steel appliances.

With careful attention to design and liveability and a convenient location, Secord Chalet is a natural choice for townhome buyers, says McLaws. "If you're looking to move into a new home this summer, Secord Chalet has that covered, too," she says. "Our selection of designer-curated Qwik possession homes are perfect for anyone looking to move into a brand new townhome without the wait."
