

Amazing deals on homes in Calgary's southeast

Local home builder Hopewell Residential has just announced a limited-time promotion that goes way beyond your typical Boxing Day sale.

The company is now offering some of the best deals of the year as part of the There's Snow Place Like Home promo event.

Huge savings and free upgrades are available on Hopewell's entire range of homes, including new condos, townhomes, paired homes, laned homes and front-garage homes in the neighbourhoods of Mahogany and Copperfield, both in Calgary's southeast.

"We wanted to offer our buyers a chance to start the year off with a bang," says Nicole McLaws, marketing manager at Hopewell. "Now is the best time to find an incredible home with incredible savings that only add to the appeal."

The Hopewell team has created its selection of homes with buyers' needs in mind. Whether you're a first-time homebuyer, a growing family or a downsizer, there's a community, floor plan,

designer style and price to fit your needs.

With a Hopewell home, you'll get the highest-quality construction available — no compromises, says McLaws. The award-winning builder has earned a reputation for design innovation, quality and service that spans more than two decades.

High-standard specifications come standard, including nine-foot main-floor ceilings, hard-surface flooring and tiling, soft-close doors and drawers, built-in energy efficiency and much more.

The company streamlines the homebuying experience too.

"We're here to make your new home purchase simple and personalized," says McLaws. "And now with our limited-time-only There's Snow Place Like Home promo, it's easier, and more exciting than ever."

"Visit any of our 19 Calgary show homes today to take advantage of our limited-time
